

SANDEEP LAMTURE

9503250303 | sandylamture03@gmail.com | Maharashtra | India

PROFESSIONAL SUMMARY

A dynamic React Developer with 4 years of experience, known for pioneering user interface innovations and boosting team performance through modern development methods. Highly skilled in React.js, JavaScript, and HTML/CSS, with a focus on delivering responsive, highquality web applications that provide outstanding user experiences. Demonstrates expertise in optimizing application performance and streamlining workflows, while championing coding best practices. Dedicated to incorporating the latest technologies and improving accessibility, consistently ensuring that development aligns with business goals to drive user engagement.

SKILLS

Frontend Technologies: React.js, Redux, React Hooks, JavaScript ES6+, TypeScript, HTML5, CSS3, TailwindCSS, Bootstrap

Tools & Build Systems: Webpack, Babel, npm, Yarn, Git, GitHub, GitLab, VS Code, Jest, Enzyme

APIs & Backend Integration: RESTful APIs, AJAX, JSON, Axios, Fetch API, GraphQL

UI/UX & Design: Responsive Web Design, Cross-Browser Compatibility, Mobile-First Design, Figma, Adobe XD, Accessibility (WCAG)

Performance Optimization: Code Splitting, Lazy Loading, Performance Testing, SEO Optimization, Web Vitals

Cloud & Deployment: AWS, Netlify, Vercel, CI/CD Pipelines, Docker, Kubernetes

Project Management & Collaboration: Agile, Scrum, Jira, Confluence, Team Leadership, Code Review, Mentoring

Testing & Debugging: Unit Testing, Integration Testing, Jest, React Testing Library, Debugging, Troubleshooting

AI tools: GitHub Copilot, Gemini Developer Studio, Cursor

EXPERIENCE

React Developer

Tata Consultancy Services

October 2022 - Present Pune

- Partnered with designers, back-end developers, and product managers to build, test, and maintain 15+ UI components, ensuring responsive performance across major devices and browsers.
- Designed and implemented reusable React.js components and custom hooks, improving code modularity and reducing development time by 30%, enhancing overall project efficiency and maintainability.
- Optimized system performance through code splitting, lazy loading, and profiling, reducing page load time by 35% and improving UX across Chrome, Firefox, Safari, and Edge.
- Led bug fixing and performance tuning efforts, implementing automated testing with Jest and React Testing Library, resulting in highquality, error-free code and a 70% reduction in production bugs.
- Conducted thorough code reviews for team members, enforcing React best practices, clean code principles, and maintainable coding standards across the development team, improving code quality by 40%
- Applied responsive design principles with TailwindCSS and Bootstrap to deliver pixel-perfect UI across 10+ screen-size breakpoints, improving mobile usability by an estimated 25%.

Front End Developer

Randstad India

September 2021 - September 2022 Pune

- Developed responsive landing pages and web applications using HTML5, CSS3, JavaScript, and React.js, optimized for desktop, tablet, and mobile, improving engagement by an estimated 20%.
- Accelerated the team's transition to modern front-end development as an early React.js adopter, improving workflow efficiency and component reusability by an estimated 25%.
- Implemented modern front-end tools and workflows, including Webpack, Babel, and npm scripts, streamlining developer workflows and enhancing project execution efficiency by 20%.
- Delivered consistent user experiences by building interfaces compatible with Chrome, Firefox, Safari, Edge, and Internet Explorer, reducing browser-specific issues by an estimated 30%.
- Integrated front-end components with RESTful APIs using AJAX and Fetch API, enabling reliable data flow and reducing integration issues by an estimated 20%.

EDUCATION

Nagnath Appa Halge College of Engineering, Parali

June 2015 - April 2019

- Computer Science
- Bachelor's degree

Computer science engineering

Shir Yogeshwari Education Society, Ambajogai

July 2011 - May 2015

- Computer Science
- Diploma

Computer science engineering
